

## Calling Aspiring Artists!

The Trophy Club Women's Club are inviting local aspiring artists to display their work at this year's 2023 Mother's Day Art and Garden Festival. This is our third year celebrating art and garden beauty through this non-profit fundraiser. Now, we're extending this opportunity to our community to display their artwork.

The festival will be held **May 12th-14th** at the Trophy Club Town Center at Trophy Club drive and Hwy 114. Check out our website for more information: [tcwcartandgardenfestival.com](http://tcwcartandgardenfestival.com)

All ages and levels of artistic abilities are welcome. You may enter multiple pieces. This invitation is for display only and not for retail. All mediums are welcome. Please attach one photo of each piece you want to display. Only Pre-approved pieces will be admitted.

Ribbons will be awarded.

Artists are responsible for transporting their work to and from the event site. Please contact us if you are unable to transport your works. We will do our best to accommodate your needs.

We will have a dedicated tent on the site to properly display your work. The tent will be manned during the festival and secured after hours. There will be 24 hour security working the festival. If you do not wish to leave your art overnight, you may take your pieces with proper check out.

All applicants *must* submit their artwork by April 12th. Accepted submissions will receive a follow-up email with more information about the festival.
